SETTLEMENT CLAIM ID:

A proposed settlement has been reached in a lawsuit alleging some vehicles manufactured by FCA US, LLC and equipped with a 2.4L Tigershark engine have an Oil Consumption Defect that causes them to consume abnormally high amounts of oil. The case is *Wood, et al. v. FCA US, LLC*, No. 5:20-cv-11054 (E.D. Mich.), currently pending in the Eastern District of Michigan. The proposed Settlement is not an admission of wrongdoing by FCA US, and FCA US denies it violated the law. The Court has not decided who is right or wrong. Rather, to avoid the time, expense, and uncertainty of going forward with the case, the parties have agreed to settle. That Settlement has been preliminarily approved by the Court.

Settlement Benefits:

- (1) **Warranty Extension:** If you own or lease a Class Vehicle and do not opt out of the settlement class (see below), FCA US will extend the existing Powertrain Limited Warranty for excess oil consumption issues to 7 years or 100,000 miles, whichever is earlier.
- (2) **Cash Reimbursement for Repairs:** You may be entitled to reimbursement for out-of-pocket expenses you incurred repairing a condition caused by excess oil consumption. To submit a claim for out-of-pocket expenses, go to www.FCAREcallReimbursement.com.
- (3) **Cash Reimbursement for Repair-Related Expenses:** You may be entitled to reimbursement for any towing and/or rental car expenses you incurred in connection with repairing a condition caused by excess oil consumption. Details about submitting a qualifying claim can be found at www.FCATigersharkSettlement.com.
- (4) **Cash Payment:** You may also be entitled to an automatic cash payment of \$340 if your vehicle is subject to Customer Service Notification W80 and had its engine block replaced due to a condition caused by excess oil consumption.

To Opt-Out: If you do not wish to participate in the proposed Settlement, you must exclude yourself on or before October 21, 2022. Please visit www.FCATigersharkSettlement.com for more information.

To Object: If you wish to object to the proposed settlement, you must take specific steps on or before October 21, 2022. Please visit www.FCATigersharkSettlement.com for more information.

The Court will hold a fairness hearing on December 1, 2022 to consider whether to approve the proposed Settlement as well as Class Counsel's application for fees and costs in an amount up to \$7,500,000 for their work in the case, which would be paid by FCA US. The Court will also consider a Service Award payment of up to \$3,000 for each Class Representative. You can appear at the hearing, but you do not have to. If you want, you can hire your own attorney, at your own expense, to appear or speak for you at the hearing. If the Court approves the proposed Settlement, which excludes claims for personal injury and property damage, you will not be able to sue for similar claims if you remain in the class.
